You forgot to tuck in your shirt.

AH!

That yawn was also weird

DON'T SAY THAT! I'M SO WORRIED THAT I KEEP GETTING MORE TIRED!

After School

Maybe he found out?

Oh my god, that was scary! He was staring at me the whole time!

Not only Ooshibu, but Hyoudo is trying to kill me too...

Ah... Sorry...

Excuse me.

There are out-siders here, so keep your voices down!

What's with all these guys... Aren't there more cleaners than usual?

The building used to be a mall, so of course they need a lot of people.

They clean the building once a month.

DON'T MOVE.

Huh?

!!

GRAB

Nobody move.

We're here to get students.

CLICK

Ah...

Kidnappers...!

Hey, don't hurt her! Girls are worth more than the boys.

HELP!

Shut up!

Ever heard of kidnappers? We're not gonna hurt anyone unless we have to.

...

You three over there, don't move!

(ONSHI)

There are seven students in the classroom right now, including us... And I can't keep them all quiet!

There's too many people!

(((

Oh no, I can't transform now...

That's what kidna-ppers do for a living.

In a country with a super low birthrate, children are of immeasureable value. Kidnapping and selling them to the outside world could land a good enough fortune to live on for the rest of your lives

UU..

UUHUU..

Usually known as dangerous beings from the outside world, it's extremely rare for them to actually invade a school.

Help...

...
Me...

Hey...

What's the point...

...Of me trying to hide my identity when I can't...

...Throw away...

...My young self!

Then when I be-come Santa...

!?

Draw my blood, Fill my hand with red

Santa...!

I'll save them...

And then...

I have to save them...!

I'll save the students...

Who...
are you...

I'm
Ooshibu,
the head
of this
school.

This is an emergency. Get under your desk.

My dear students,

...Ha ha ha...

O...

Remember the High Evacuation Drill.

After a closer look, you're just like the rest of us!

Hmm?

Principal? This young dude?

In this country, we don't need old men any more.

The only way to survive is to exploit the kids.

Your face may be young, but it's obvious from your hands, that you've already got one foot in the grave!

We're all in the business of keeping kids.

You're just like me, old man.

Don't you have...

"Old man"!

...!

...ANY RESPECT ...

...FOR YOUR ELDERS?

GAH!

PUNCH

HUGH

YAHAHAH

...YOUR ELDERS!

SNAP

RESPECT...

STOMP

GUGH!

Were you hurt?

Principal... you have stitches on your face...

uh... um...

But my body gladly understands its position.

When an old man like me is treated like that...

...It's unavoid -able.

"Just do what I have to do"

We've got a lot of work to do.

This month's cleanup has been quite huge...

Well, well, well

There's an adult... Get rid of him.

I heard a sound!

I won't be too hard on you...

SHING

...HUH?

They're fighting together? Next issue, an exciting colored cover!

Jeez...
...
THAT'S NOT IT!!
Not just yawning, even laughing became Santa-like.
Hooo Ho Ho Ho Hoooo!
